Thy Kingdom Come!

CAMP RIVER RIDGE - MEMORIAL FOR FAMILIES

The dream of developing a "Camp River Ridge" goes back to the late 1990's with several key, founding families. Since then, many families have volunteered hours of service and hundreds of boys and girls have benefited from the many summer camps, retreats, and other activities at camp. We now wish to honor our families and campers with a brick at the memorial.

So we encourage purchasing a brick at the memorial to honor you, your family, your children who have participated at the camp, and the key families that have invested years of service, talent and treasure. Two of these have passed away: Joseph Lannon Taylor and Joseph Timothy Gronotte. Buying a brick also supports camp development, leaves the legacy of the family name on the property, and encourages future campers to pray for you. We're asking for $50 per brick.

Some examples are:

Pray for the Smith Family
